

WELS Western Wisconsin District

May 27, 2024

Dear brothers in Christ in WELS,

Please accept the greetings of your brothers in the Western Wisconsin District. God's blessings to your District as you carry out His work under His guidance and care.

The Western Wisconsin District is meeting at Luther Preparatory School in Watertown, WI on June 10-11, 2024. The theme for our convention this year is "*The One Thing Needful*," taken from Jesus words to Martha in Luke 10:42. Four presentations will guide our discussions as we seek to encourage each other toward faithful use of the Word of God in our personal, congregational, and professional lives.

May the Lord of the Church guide and keep all of you as you travel, meet, elect, and study. May all we do in our Districts this year build God's Church and, above all, give Him the glory!

God's grace be with you all,

Rev. Daniel T. Naumann
Secretary, WELS Western Wisconsin District
